

# VOLUNTEER with PAHS

Thank you for your interest in volunteering for animal welfare.

***We are one of the few humane societies nationwide with no animal shelter.***

*Instead of managing animals inside a shelter, we work to keep animals out of shelters through innovative programs in education, advocacy, and intervention. We also work on behalf of wild animal and farmed animal welfare. Join us as we confront animal issues with fun, passion, and commitment.*

**See our list of volunteer needs on the back of this form.**
